Explanatory Attachment to Notice of Non-Compliant Amendment

Effective 30 July 2003, amendments filed under 37 CFR 1.121 must be filed using the following rules:

(A) When there is an amendment to the abstract, if the changes are minor in nature, submit a replacement abstract with markings to show all changes relative to the immediately prior version. If the abstract is being substantially rewritten, submit a new abstract in clean text (no markings) accompanied by an instruction to cancel the previous abstract. Any new or replacement abstract must be submitted on a separate sheet (37 CFR 1.72).

The amendment to the abstract filed 12 December 2006 is non-compliant insofar as no instructions were presented to cancel the previous abstract.
